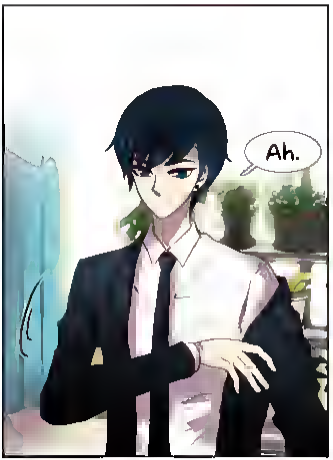
Her boyfriend gets jealous so easily



Ah.

Hmph! What! Ever!

Yes but in the end I got accepted into S University Starting next spring I'm an S University student

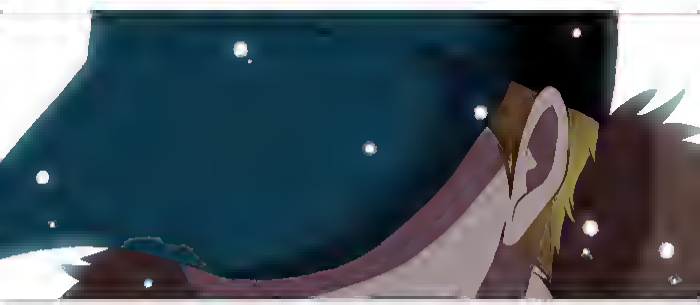
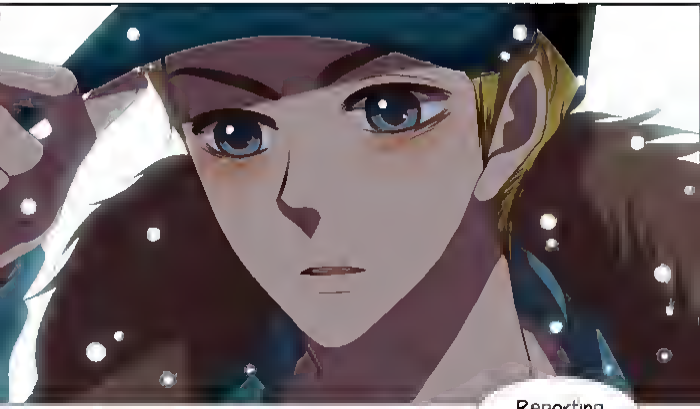
I remember,
it was snowing that day too.

I miss those days...

You came?



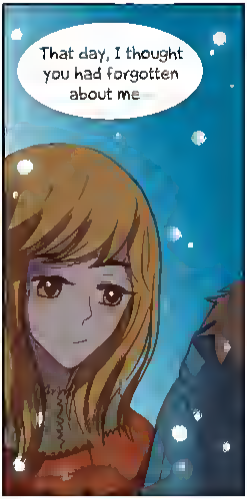
Yeah.



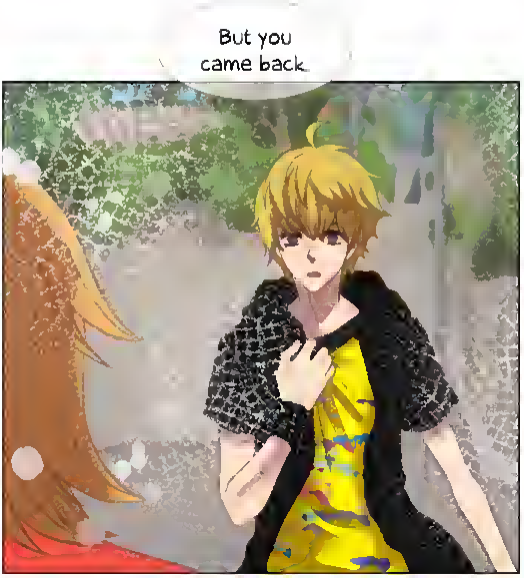
(TN: If you can't tell from the short hair, Geon went to do the mandatory army service for young men between 18-30. He didn't do it before with Bakha and Hanbit because he was in America.)

What?! Civilian clothes? You're reporting for duty where's your uniform?
I felt my insides falling out!
I should be the one complaining! Stop taking intimate pictures with Hanbit!
That's nothing! Who did you go see before me?!

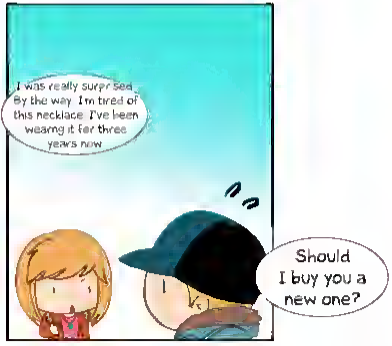
Well. Mom and Dad. My biological mother...
I was planning on seeing my brother with you...so I haven't seen him yet
That's all~?



That day, I thought you had forgotten about me...



But you came back



I was really surprised. By the way, I'm tired of this necklace. I've been wearing it for three years now.
Should I buy you a new one?

Anyway.

I missed you.

Me.. Me too..

I'm an incoming freshman and you're a college student. Sign up for at least three years after graduation to get a proper job
